PETITIONING THE COURT

To modify the conditions of supervision as follows:

You shall allow reciprocal release of information between the supervising probation officer and treatment provider. You shall contribute to the cost of treatment according to your ability.

CAUSE

Ms. Ruiz requested mental health counseling which will assist her in being able to properly address a number of personal stressors which she has encountered over the last 3 months. These have included her family's relocation to Southern California, her loss of employment, and legal problems. Ms. Ruiz requests these services in addition to the substance abuse counseling which she is already engaged in.

The Court has scheduled a supervised release hearing for June 17, 2005. It is the Probation Office's understanding that she will request a continuance in order to provide her additional time to finalize the pending state driving offense. The Probation Office supports this continuance as it will provide Ms. Ruiz an opportunity to engage in counseling prior to the violation hearing.

Respectfully submitted,
